Lea, Sr. presiding, pursuant to Chapter 2, Administration, Article II, City Council, Section 2-15, Rules of Procedure, Rule 1, Regular Meetings, Code of the City of Roanoke (1979), as amended; and pursuant to Resolution No. 40579-070516 adopted by the Council on Tuesday, July 5, 2016.

ABSENT: None-0.

The Mayor declared the existence of a quorum.

SCHOOL BOARD TRUSTEES PRESENT: Mark K. Cathey, William B. Hopkins, Jr., Laura D. Rottenborn, Lutheria H. Smith (arrived late) and Chairman Annette M. Lewis-5.

SCHOOL BOARD TRUSTEES ABSENT: Richard M. Willis, Jr., and Vice-Chair Lori E. Vaught-2.

Representing the City of Roanoke: R. Brian Townsend, Assistant City Manager for Community Development; and Sherman M. Stovall, Assistant City Manager for Operations.

Representing Roanoke City Public Schools: Dr. Rita D. Bishop, Superintendent; P. Steve Barnett, Deputy Superintendent; Timothy R. Spencer, Senior City Attorney and Legal Counsel of Roanoke City Public Schools; and Cindy H. Poulton, Clerk of the Roanoke City School Board.

SCHOOLS: Mayor Lea welcomed everyone to the first joint meeting of City Council and the Roanoke City School Board in the fiscal year and called upon the School Board Chairman for remarks; whereupon, Chairman Lewis welcomed everyone to the meeting, asked for prayers for Trustee Willis on the loss of his father; and referenced the importance of the "buddy system" among the Council Members and the School Board.

The Superintendent highlighted many achievements, noting the Division was ranked number 25 in Virginia by Niche.com; Forest Park Academy would graduate its 1,000th student at the summer graduation; Crystal Spring Elementary was recognized nationally as a 2015 Blue Ribbon School; and students representing every middle school in the City rehearsed and put on a performance of "Little Shop of Horrors" over the summer.

Dr. Bishop expressed concern about the performance of the After School Program as reported in the local newspaper, adding that the 21st Century Program must include the parents, students who truly need the services, and school personnel. Dr. Bishop encouraged Council Member Garland to schedule a meeting to review details regarding the Program and staffing issues.

Chairman Lewis advised that there were no plans to close any City schools; whereupon, Mayor Lea interjected that if a school was to be closed, ample discussion would have to take place prior to any action by the School Board.

Dr. Bishop referenced the attendancesworks.org website and advised that pre-school absenteeism was unacceptable and the attendance works program had a free consulting aspect which works with parents.

Vice-Mayor Price asked how the program would be implemented and if it was an opportunity for a collaborative effort. Dr. Bishop advised that the program was great for collaboration especially with the libraries and United Way of Roanoke Valley.

Dr. Bishop advised that fortunately the previous capital improvement projects still looked good. She noted that the student population has increased each year, pointing out that Round Hill Elementary was slightly overbuilt to accommodate the population growth and asked the Deputy Superintendent to highlight the plan, whereupon, he mentioned the following:.

August 2016 Status

- 33 new or renovated classrooms
- 21 new classrooms
- 12 renovated classrooms
- New cafeteria
- Two music rooms and an art room
- New bus loop

- Main office area renovated
- Two modulares removed (six classrooms)

Round Hill Preschool

- All preschool students will be housed onsite
- Previously all Round Hill preschool classes were located at Northminster Church (a rented facility)

December 2016 Status

- Library renovated and expanded
- Seven additional classrooms renovated bringing the total to 40
- Modular removed (three classrooms)

December 2016

- Preschool students will be moved from Monterey Elementary to Round Hill (approximately 76 students)
- Monterey modular moved at end of the school year

Capacity

- 2015 - 2016 762
- December 2016 792

In response to Breckinridge's population and capacity, Dr. Bishop indicated that Breckinridge's capacity was 630, but currently housed 571.

Mayor Lea suggested the Division take a closer look at renovations for Hurt Park Elementary School, which would be a stimulus for the neighborhood as well as for the students.

Dr. Bishop responded that Hurt Park needs a full-size gymnasium, adding the Division has requested \$1.5 million Choice Neighborhood Grant to fund the gymnasium and would recommend postponement of other projects in order to construct the facility at the school.

Council Member Garland inquired as to the difference between Forest Park Academy and Noel C. Taylor School; whereupon, Dr. Bishop advised that the students at Forest Park Academy lack the necessary credits to graduate, adding a comprehensive high school environment does not work for the student; and students at Noel C. Taylor need discipline correction and are removed from the comprehensive high school environment for a period of time.

Trustee Rottenborn advised that the School Board outsourced nursing, transportation, food and substitute teacher programs. She also added that the School Board Audit Committee was charged in ensuring the abovementioned programs were successful and reports were public.

Council Member Dykstra asked that a report addressing the quality of food served to students be shared with the public.

Council Member Trinkle inquired as to issues of students outside the City of Roanoke attending Roanoke City Public Schools and if there was a process to admit non-resident students. Dr. Bishop explained that there was an application process as well as checking the capacity of the desired school; and fortunately many students do not get turned away.

Council Member Trinkle further inquired if non-City students paid tuition to attend Roanoke City Public Schools; whereupon, Dr. Bishop replied in the affirmative, but noted that it was a small amount.

Dr. Bishop reported that the RCPS+ Program has served over 3,000 students in four years and helps to keep students' skills sharp during the summer months. She also mentioned that there were many students outside the City that want to attend the program and cannot.

Vice-Mayor Price commented that recruitment was definitely a challenge across the Nation, and asked what the School Division was doing to recruit and retain minority teachers; whereupon, Dr. Bishop explained that the Division was reaching out to the graduates of Historically Black Colleges and Universities (HBCU). But there was a teacher shortage; and unfortunately, the School Division lost 14 minority professionals and hired 15. However, on a positive note, she mentioned three professionals were offered full scholarships to attend graduate school programs.

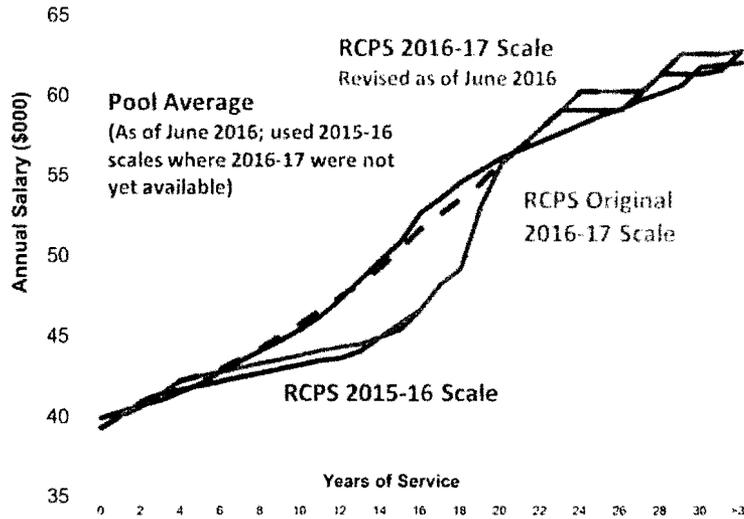

Dr. Bishop emphasized that it was best to grow your own teachers and that program was strong. Chairman Lewis added that in instances whereby minorities might struggle in their positions, mentors have been assigned to provide assistance.

Council Member Ferris asked about the schools' process to address parents and complaints; whereupon, Chairman Lewis advised that every concern was taken seriously and addressed by the School Board. Trustee Cathey mentioned the School Board was presented with a petition regarding high teacher turnover and accreditation in which he and Trustee Rottenborn interviewed persons and investigated the matter.

With regard to engaging citizens comments at School Board meetings, Trustee Cathey replied no participation is encouraged, but the Board does reach out to the citizens.

Regarding policy to address concerns; Chairman Lewis replied that most matters were referred to the Administration for response.

Dr. Bishop explained that the Division was benchmarked against other localities with regard to salary adjustments and the "SAG" was addressed and fixed at the June School Board meeting.

She added that the Division was considered highly competitive in year one through five and decent in years six through 20. But in exit interviews, it was noted employees were leaving to seek higher wages. At the time of a Board meeting, 42 employees had resigned, and after the Board meeting, only six resigned, which placed the Division in a highly competitive position. And in June, she remarked there were 80 positions to fill and currently are only five left to fill.

Dr. Bishop advised that there were approximately 590 homeless students at the end of the last school year, with the School Division raising \$27,000.00 to address the issue, adding funds would continue to be raised during the holiday season.

Following discussion, Mayor Lea thanked everyone for the constructive dialogue and advised that education was always the number one priority.

Dr. Bishop announced that the Convocation would be held on August 18 at 9:00 a.m., at the Berglund Center.

Vice-Mayor Price invited everyone to the Third Annual Youth Summit on August 5 at 10:00 a.m., at William Fleming High School.

Chairman Lewis thanked the Council for its support and invited everyone to tour the facility to see the improvements.

There being no further business, Chairman Lewis declared the School Board meeting adjourned at 11:10 a.m.
