Description of Project

Questions regarding disturbing or removal of asbestos should be forwarded to the Department of Labor and Industry. For information call 540-562-3580 ext. 131.

Checklist For Submission

Application Completed

If inflatable, laser light/image projection, search light/ beacon sign, documentation from Roanoke Regional Airport and medical helicopter patient transportation providers within City limits of non-interference with established routes.

1 set of plans drawn to scale with sufficient detail & clarity to indicate the nature & extent of the work proposed.

Drawings must have the seal of a design professional when required.

Basic Development plan drawn to scale showing the location of the proposed sign on the lot, clearly delineating dimensions from property line to sign.

Owner/Builder Affidavit if applicable

Asbestos Survey if the building was initially built prior to January 1, 1985

Contractor/Subcontractor Listing form

If in a Historic District, attach the Certificate of Appropriateness.

I understand that all applications for permits, along with all additional required information, must be provided to the Permit Center prior to processing of this application. All information submitted will be reviewed prior to the issuance of a permit. Should a technical plan review be required, the City of Roanoke strives to complete these reviews in ten (10) working days. Should information be missing or additional information be required, the review process may be delayed.

I also understand that all contractors and subcontractors are required to have the proper trade certifications when required, a current business license for the City of Roanoke and current state licensing when required by the Virginia Department of Professional and Occupational Regulations (DPOR).

I also understand that I am required to conform to all applicable requirements of the Virginia Uniform Statewide Building Code, the Zoning Ordinance for the City of Roanoke and all other applicable laws and ordinances.
